## Accountability for content

Responsible for content in accordance with § 18 Abs. 2 MStV

David Lais  
Schlesische Straße 26  
10997 Berlin, Germany

The contents of our pages have been created with the utmost care. However, we cannot guarantee the contents' accuracy, completeness or topicality. According to statutory provisions, we are furthermore responsible for our own content on these web pages. In this matter, please note that we are not obliged to monitor the transmitted or saved information of third parties, or investigate circumstances pointing to illegal activity. Our obligations to remove or block the

use of information under generally applicable laws remain unaffected by this as per §§ 8 to 10 of the Telemedia Act (TMG).

### **Accountability for links**

Responsibility for the content of external links (to web pages of third parties) lies solely with the operators of the linked pages. No violations were evident to us at the time of linking. Should any legal infringement become known to us, we will remove the respective link immediately.

### **Copyright**

Our web pages and their contents are subject to German copyright law. Unless expressly permitted by law, every form of utilizing, reproducing or processing works subject to copyright protection on our web pages requires the prior consent of the respective owner of the rights. Individual reproductions of a work are only allowed for private use. The materials from these pages are copyrighted and any unauthorized use may violate copyright laws.

### **Google reCaptcha**

You acknowledge and are aware that the functionality of the reCAPTCHA API is based on the fact that hardware and software information, such as device and application data, is collected and transmitted to Google for analysis purposes. The information collected when using the service is used to improve reCAPTCHA and for general security purposes. Google will not use it for personalized advertising. Pursuant to Section 3(d) of the Google APIs Terms of Service, you agree that when you use the APIs, you are responsible for providing or obtaining the necessary notices or consent for Google to collect and share this information.
