The Clarity AI data, ratings, scores, assessments, analyses and other outputs made available herein (together, the "**Services**") are proprietary to Clarity AI and its licensors and are provided for informational purposes only. Except as expressly authorized by Clarity AI or under the applicable agreement with Clarity AI, the Services may not be used, reproduced, modified, distributed or otherwise exploited.

The Services do not constitute financial, investment, legal, tax, strategic or other professional advice, nor a recommendation to buy, sell, or hold any security or financial instrument. Users must conduct their own independent assessment and remain solely responsible for determining compliance with applicable laws and regulations.

To the fullest extent permitted by applicable law, Clarity AI disclaims all express and implied warranties relating to the Services, including warranties as to their accuracy, completeness, timeliness, non-infringement or fitness for a particular purpose, and shall not be liable for any direct, indirect, incidental, consequential or other loss or damage arising out of or in connection with the Services or their use.

Where the Services include ESG ratings, such ESG ratings represent Clarity AI's opinion at the date of issuance, derived from applying Clarity AI's published methodologies to the relevant information, and are issued on a non-solicited basis unless otherwise disclosed. They are not statements of fact regarding the sustainability characteristics, risks or impacts of a rated item and should not be interpreted as predictions or guarantees of future ESG performance, financial performance or other outcomes. Clarity AI does not sponsor, endorse, market or otherwise express any opinion regarding any entity, product, service, financial instrument or other subject matter to which an ESG rating may relate. They may be updated, revised or withdrawn without notice.

ESG ratings contained herein may be governed by Regulation (EU) 2024/3005. They constitute Clarity AI's opinions based on its methodologies and data, not statements of fact, and do not constitute advice. They may be modified, updated, or withdrawn without notice. Clarity AI may have business relationships with rated entities and maintains organizational measures to ensure the independence of its ESG rating activities and manage potential conflicts of interest.
